

DUBAI ELECTRICITY AND WATER AUTHORITY (DEWA) - CUSTOMER GUIDELINES 2025

1. Bill Disputes

- High bill complaints will instigate a smart meter check within 3 working days.
- If a leak is suspected, the customer is responsible for internal connections (after the meter).
- Tariff slabs: 0-2000 kWh (Green), 2000+ kWh (Red).

2. Service Interruption

- Planned maintenance requires 24-hour advance SMS notification.
- Emergency water functioning interruptions must be resolved within 4 hours.

3. Villa Compounds (e.g., Al Barsha, Springs)

- Internal leaks in private compounds are the owner's responsibility.
- DEWA provides list of approved maintenance contractors.
